### Discussion Items

- Locksley reviewed his Administration Division Report
- Locksley asked for input on how often the group should meet to build and keep momentum.
  - ACTION ITEM – the group voted to set a monthly meeting on the third Monday of each month at 10am Central time, but Locksley asked Leigh to follow up with the members who are not here to see if that is viable for them.
- Locksley introduced and welcomed incoming members: Meagan, Syndy, Amy B., Lavonia
- Locksley said farewell and thank you to outgoing members: Michelle, Amy K, Wanda, JP, Jonelle, Ivette
- Conference Subcommittee Mark (Chair) – no updates; have been stalled due to COVID.
- Locksley shared about the upcoming REI training pre-conference; some volunteers are still needed, and Locksley can connect anyone who is interested. Also anyone in this group that is interested and would like to join the training is welcome to join. (Jonelle sent the invitation link to the group.)
  - Jill asked about other areas of the REI work that members of this committee might be involved in. Locksley said there will be other opportunities.
- Locksley shared some of the activities that can be expected during the Virtual Conference
- Data Subcommittee - JP is going off the committee, so that chair position will be open if anyone is interested.
- Structural Review Subcommittee – Locksley asked that anyone who would be interested in chairing this subcommittee please let him know. This subcommittee may want to pursue developing a recommendation that committee member and chair terms be longer than two years. (This would need to go to the Admin Div and then up the leadership chain.)
- Please direct anyone who might be a good member of the committee for the future to Locksley.
- 2021 NACADA Leadership Elections. Nominations for the IEC Chair for 2021-2023: Deadline October 31, 2020.
